CONDITION LANGUAGE

Most goods are new with tags and originate as liquidation shelf pulls. Some pieces may be new without tags. Known defects may include a mark, stain, rip, missing tag, or packaging wear. When identified, the defect is disclosed in the lot description, quote, or packing information. Mixed wholesale lots are not individually retail-inspected unless the quote states otherwise.

SAMPLE MANIFEST

The downloadable sample manifest is illustrative, not a live unit-by-unit inventory file. Exact category, brand, size, color, style, packaging, and condition vary by lot.

HOW A PURCHASE WORKS

1	**Choose a lot**	Select a standard tier or request a category, pallet, truckload, take-all, or unmanifested quote.
2	**Qualify**	Provide business details and a valid resale certificate. Large-order buyers may be asked to sign a purchase agreement.
3	**Approve and pay**	Small lots use direct online payment. Pallets and large orders use an approved quote followed by ACH or wire.
4	**Pickup or ship**	Typical fulfillment is 3–5 business days after cleared payment and completed documents.

PICKUP & FREIGHT

Local pickup in Watertown, NY is available by appointment and encouraged when it improves economics. A loading dock is available; there is no ground-level access. Qualified buyers may request an inspection appointment. Buyers may arrange their own freight. Ask for a shipment estimate before paying if freight cost affects the purchase decision.
